Dragon Drive was only supposed to be a game, but now it's become more real than anything Reiji knows! It began with a tour of the special training room, but ended with the group suddenly sent to "the other Earth", a place known as Rikyu. Not knowing what is real anymore, Reiji agrees to participate in a championship that will determine the best dragon master in the world, but the start of Reiji's true journey has only just begun.

Start with Milfeulle in search of Vanilla's mysterious, unidentified, lost treasure. Add Ranpha planning Forte's "funeral" as an excuse for forgetting a date. Mix well with Mint and Milfeulle in pursuit of a runaway high-tech tank. Fold in Forte, Vanilla and Mint on a space station and sprinkle with monkeys. Bake with Milfeulle and Normad on a date that's interrupted by a culinary droid being pursued by assassins.
